To: Whom It May Concern

Re: Friends United Beyond All Race (F.U.B.A.R.)

Every child has the right to dream. Some children need their dreams to come true right away! To help these children with their dreams, The Make-A-Wish Foundation of BC & Yukon has one simple mission – to grant the special wish of every eligible child, aged 3 to 17, with a life threatening medical condition.

The Make-A-Wish Foundation of BC & Yukon grants approximately 120 wishes each year. With the average value of a wish at around \$10,000, we rely entirely on individual and corporate donations and special events.

We are so grateful when community groups Friends United Beyond All Race (F.U.B.A.R.) and their supporters offer their support in helping us make dreams come true through organizing community events. On behalf of the Make-A-Wish Foundation and especially the kids, our sincere thanks for considering supporting our program through a donation to the Friends United Beyond All Race (F.U.B.A.R.) Community.

I confirm that funds from these events will then be remitted to us at Make-A-Wish to be used to support the wishes of children with life-threatening illnesses in BC. If you have any questions or concerns please feel free to contact me at 604 688 7944.

At Make-A-Wish, we believe that every child should be free to dream and we know that some kids need their dreams to come true today. Thank you for considering supporting the Make-A-Wish Foundation through your donation, and thank you for sharing the power of a wish!

Sincerely,

A handwritten signature in black ink, appearing to read "R. Hetherington".
