Re: Friends United Beyond All Race Events Benefiting Make-A-Wish BC & Yukon

Our world is made up of people from various cultures, regions and all walks of life. Friends United Beyond All Race's mission is to bring people together for one common goal which is to make a difference in our community. With your help we want to bring "Hope, Strength & Joy" by granting wishes for children and their families who are battling critical illnesses.

"Every child has the right to dream. Some children need their dreams to come true right away! To help these children, The Make-A-Wish Foundation of BC & Yukon has one simple mission: grant the special wish of every eligible child, aged 3 to 17, living with a critical illness." ~ Make-A-Wish Foundation of BC & Yukon.

We have various sponsorship opportunities which are included in this package and are asking for your support through financial donation and/or prizes for our raffles. All donations will be used towards our efforts to raise money for Make-A-Wish Foundation BC & Yukon.

Thank you for your support and consideration,
