Re: Friends United Beyond All Race (F.U.B.A.R.) Golf Classic – August 24, 2025

We are honoured to have F.U.B.A.R. once again fundraising in support of the BC & Yukon Chapter at Make-A-Wish Canada. We can proudly say that they are an important part of our community of supporters and that the funds they are raising will go towards granting much needed wishes!

A wish is an integral part of a child's treatment journey. Research shows children who have a wish granted can build the physical and emotional strength they need to fight their illness. Through all the uncertainty, one thing has remained constant: every child's wish begins with hope. When a wish child has something positive to look forward to, everything begins to change. Your support helps to transform lives, one wish at a time.

Together with our community, we granted 275 wishes in British Columbia and the Yukon last year. With nearly 500 children on the waitlist for a wish in our region right now, their families are likely your friends, neighbours, or coworkers. You can make a positive difference in their lives! Across Canada a child is diagnosed with a critical illness every two hours, and we do not have sufficient funds to grant wishes to them all. We need your help to reach every family in Canada and give them the strength to face the devastation of childhood critical illness.

Thank you for considering a donation to F.U.B.A.R Golf Classic in support of the work being done at Make-A-Wish Canada.

Sincerely,
